What are the criteria for eligibility for compensation?

The person in question must have been stationed in Camp Lejeune:

- Between August 1, 1953 and December 31, 1987
- For more than 30 days
- And Had complications that can be linked to the contaminants

Camp Lejeune Justice Act of 2022

This bill created an exception for the rule that pardons the government from being liable for the injury of its service members by allowing service members and their families to bring legal action to seek compensation for damages brought on by the contaminated water of Camp Lejeune.

Will this affect my VA benefits?

No, your monthly VA benefits will not be affected by seeking compensation.
